BIOGRAPHY

Greg and his wife Lois retired to Palmyra, Pennsylvania in 2007 to be near their son Marc, daughter-in-law Sheila, and grandson Michael, who plays the violin and viola and is a senior in high school.

After attending Wheaton College, Western Illinois University, the University of Illinois, and Governor's State University, Greg worked in the Chicago area with autistic and mentally delayed children for 35 years as a School Psychologist and Principal.

Greg and Lois are active members at Derry Presbyterian Church in Hershey, PA. Greg has served as a Ruling Elder, Chair of the Personnel Committee, and he is currently Chair of Worship, Music and Arts and sings in the Sanctuary Choir.

Greg was interested in and felt called to the Carlisle Presbytery and its connectional ministries. He served on the Administration Committee and the Personnel Subcommittee, and served as the 2018 Moderator of the Presbytery.

Greg sings with the Susquehanna Chorale and just completed 4 years as Board President for the second time. He and his wife enjoy traveling, and went on a trip to Egypt in 2018 to celebrate their 50th wedding anniversary. For relaxation, he tries to fit golf into his schedule around board and committee meetings.

In the Fall of 2019, Greg and Lois accompanied a group of 12 people from Derry Church to visit the Presbyterian Education Board in Lahore, Pakistan, lead by Veda Gill, Margy Trimble, and Debbie Hough. They were inspired by the work of the staff to provide educational opportunities for the Muslim and Christian children in the surrounding area.
