ABOUT US

OUR MISSION

To provide opportunities for the poorest of the poor children in Pakistan through cultivating U.S. support of PEB schools.

WHO IS PEB?

The Presbyterian Education Board of Pakistan (PEB) was started in the mid-1800s by Presbyterian missionaries from the United Presbyterian Church. Today they run 25 schools in the Punjab region of Pakistan. They are dedicated to providing quality education to all individuals regardless of race, religion or ability to pay.

WHO IS FRIENDS OF PEB?

Friends of PEB Inc. was formed in 2008 to support and promote the educational purposes of PEB schools and fund their development.

SCHOLARSHIPS

Friends of PEB operates a scholarship program to allow students to attend PEB schools who normally couldn't afford an education. To support a day student the expense is \$365 per year and a resident student is \$730 per year. A scholarship covers full tuition, books, supplies, fees and uniform. Resident students also receive room and board in one of the dormitories.

VEDA & LAURIE

Our God of miracles opened amazing doors in 2021.

Completion of the boarding house in Sargodha is an answer to the prayers of many girls who were desperately in need of it. It is an answer to the prayers of many parents who were reluctant to send their daughters to other villages for an education. It is an answer to the prayers of those who have nurtured PEB throughout their lives.

Thank you to Friends of PEB and their faithful donors. Those in Pakistan are giving you a big "hurrah" for making a dream come true for young girls--like Mohanda Bibi, my mother who was once a PEB scholarship recipient.

Thank you for providing scholarships to 80 students. Now we have the capacity to accommodate 100 girls. Your support is contributing a lot in building Pakistan and in producing agents of peace and love.

I am always in awe of God's grace and His miracles. I strongly believe God is at work in PEB and so are His people on earth.

Peace and prayers,

Veda Gill
PEB Executive Director

It is hard to put into words how much we appreciate your support over the last year. Your generous support in 2021 helped us to complete several building projects and to serve even more students, which in turn changes even more lives. While COVID-19 is still impacting our world, we have been able to continue our critical work in Pakistan and the US. It is because of God's goodness and your generosity that we are on a good trajectory for the upcoming year.

As an organization, Friends of PEB remains committed to our mission of giving quality education to the poorest of the poor children in Pakistan. Our work is only possible through the support of partners like you who share in our vision and who have a heart for the children there. Thank you for helping us build a bridge to a better future for the students we serve.

With gratitude and appreciation,

Laurie Gift Harris
Friends of PEB Executive Director

student success story

JUNAID

Junaid is a student who attended Christian Boys' High School Martinpur. He grew up in a very poor family, with his father working as a laborer on daily wages and his mother a housemaid. He has one sister.

His parents wanted to provide an education for their children but could not afford the expenses. With heavy hearts, Junaid's parents went to the PEB school and asked if some kind of financial help could be provided. The principal offered that the children could be provided with

scholarships from Friends of PEB to cover the cost of their education.

Junaid was a conscientious and hardworking student so PEB agreed to support Junaid's education and helped him to complete Pre-Engineering from Forman Christian College Lahore. Junaid scored high marks and got admission to University of Engineering and Technology (UET) Lahore. He completed his degree in Chemical Engineering because of the continuous support from Friends of PEB.

Now, Junaid is working in a multinational organization and supporting his parents. Junaid and his parents are thankful for the contribution and support of Friends of PEB for making him an independent and successful person. Junaid hopes to pass this help to other deserving students someday.

student success story

SUMERA

left school to work with the father in the brick kiln to help support their family.

Later, Sumera's younger brother was injured in a road accident and the family had to take another loan. One day the brick kiln owner came to Sumera's father and asked for Sumera, who was only 13 years old at the time. Her father went to a PEB boarding house and asked for shelter for Sumera, as he could not provide safety for her.

Sumera was given a scholarship and admitted to PEB's school where she completed her education. She secured good grades and later attended a nursing school. Today, Sumera is a successful staff nurse. She has cleared all of the family debts and purchased a house for her family.

Because of the scholarships available through PEB, many young girls from underprivileged areas now have the opportunity to receive an education.

Sumera's parents worked in a brick kiln and when her mother got sick, her father took a loan from the brick kiln owner for her treatment. Sadly, her mother died and the family was left with a huge debt. Her older brother

Thank you for your support of Friends of PEB. Because of our faithful donors, we are able to celebrate many student success stories.

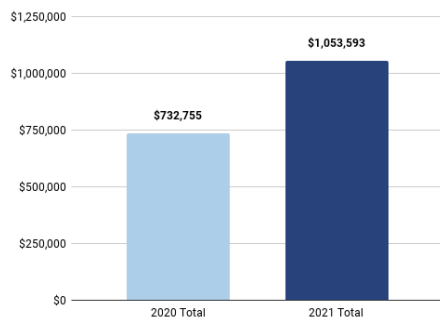

2021 FINANCIALS

We prayerfully strive to be good stewards of every gift we receive and be transparent and honest in all we do. Please find all of our financial information below, and thank you for helping us grow by raising more in 2021!

OUR MINISTRY BUDGET ALLOWS US TO:

SHARE the story of the Presbyterian Education Board (PEB) Schools and communicate current PEB news to US partners.

GUIDE churches and individuals to discern how they can participate in PEB's mission.

HELP arrange visits from our PEB mission workers for hands-on assistance.

LEAD exploration trips for donors to visit PEB schools.

CULTIVATE financial support for PEB by way of grants, bequests, corporate resources, church and individual donations.

FINANCE by providing a safe and secure way to receive, send and monitor funds to PEB in Pakistan.

OFFER SCHOLARSHIPS through the PEB scholarship program that provides student profiles and photos to donors.

2021 DONORS

Thank you to our donors and partners who have supported our mission this year. Your generosity is making a difference in the lives of children who are thirsting for hope through education.

Even just a small gift goes a long way in supporting students in Pakistan and PEB schools.

"A scholarship to one student is an investment in future generations. We are thankful to PEB and donors for the scholarships given to the community here in Martinpur."
