BIOGRAPHY

Cheryl believes passionately in the power of education to transform lives and communities. With more than 30 years of teaching and training experience in the Atlanta, GA area and abroad, she has seen that this is true regardless of culture, socioeconomic status, or gender.

When not working, she enjoys spending time with family and friends, reading, watching movies (in the theater!) and traveling. Her belief in God's call to service and command to love God's people has led to meeting and building relationships with people all over the world.

Cheryl's connection with the Presbyterian Education Board (PEB) of Pakistan began in 2004 when she moved to Lahore, Pakistan and began working for Forman Christian College. Over the next 16 years, she also spent time supporting PEB through reading to students, participating in teacher training, and serving three terms on the PEB Board including one as the Board Chair.

In 2020, she returned to the US and moved back to the metro-Atlanta area to be near family. She joined the Board of Friends of PEB in Spring of 2022 and began working as the Executive Director in Spring of 2023. She is excited to be working with Friends of PEB and continuing her connection of supporting education in Pakistan.
