

Friends of PEB 2020 Annual Report:  
*A Celebration of Generosity*

# A WORD FROM OUR LEADERS

## Words from Laurie

For many nonprofit organizations, 2020 was a year of uncertainty. While Friends of PEB saw some change, namely appointing me as the US Executive Director, the halting of trips to Pakistan and the closure of schools, one thing remained unchanged...YOU. Our faithful and generous donors continued to give in spite of the economic uncertainty surrounding our world. Because of you, we were not only able to continue supporting the schools in Pakistan, but you rose to the challenge and answered the call for help in raising money for emergency needs associated with the pandemic. Your support has enabled us to continue the work of Friends of PEB without hesitation. I know that God delights in each of you who have taken James 1:27 to heart, particularly during this difficult time!

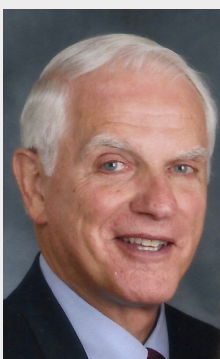

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world. James 1:2

## Words from Veda

While 2020 might be a great year to make history, we are all aware of harsh realities of an incredibly difficult year. It seems a year lost, but every dark cloud has a silver lining. The educational system has taken a new turn, people became more creative in building relations, and out of Quarantine came the bonus of time with families. Out of activism comes change for the better. Small acts of kindness were touching. People were becoming more compassionate globally. Though it was a year spent in self isolation, it has been a year of self-reflection too. Thank you for your faithfulness. Your belief that it is in giving that we receive has helped us cross big hurdles. You all are awesome, amazing, God's hands on earth. In year 2020 we all were standing 6 feet apart yet it seemed that we were closer than ever.

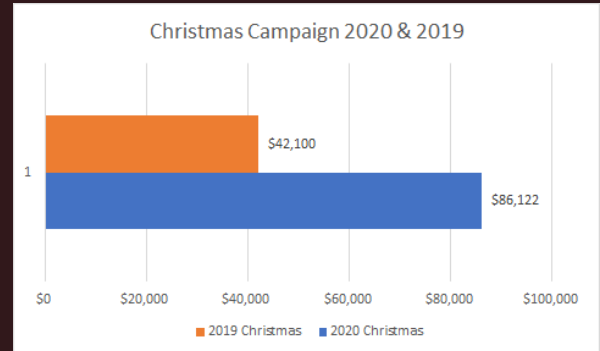

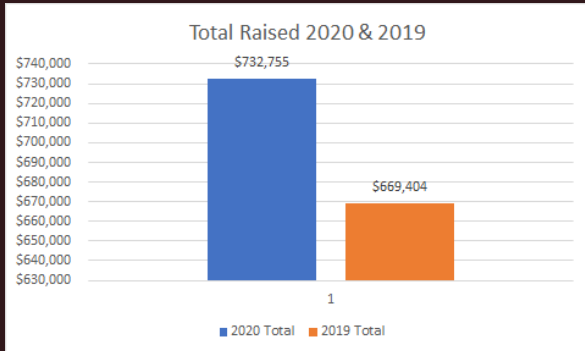

## Words from Tim

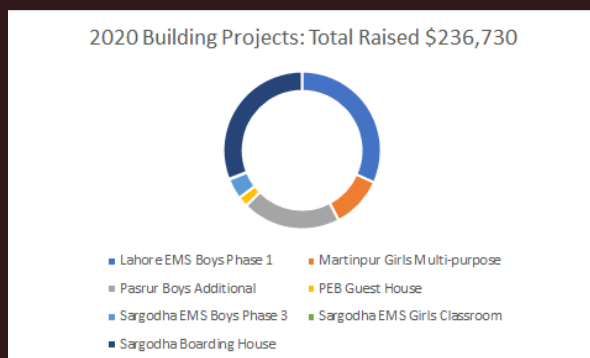

As with every household and organization around the globe, 2020 has been a year filled with challenges for Friends of PEB and for PEB itself. Yet, we are blessed to report that, over the past year, the faithfulness and generosity of many, many Friends have stepped forward to enable PEB's vital ministry to continue for "the poorest of the poor" in the Punjab. Truly in times such as these, we Celebrate Generosity, which is, first, God's blessing upon us and then is our shared blessing passed along for the benefit of approximately 6,000 students who yearn for an education and the opportunity of a better future for themselves, their households, and their villages. Thank you all for your continuing witness!

# A CELEBRATION OF SHARING TESTIMONIES

## **Church Donors:**

*It has been a joy and a blessing to increase the number of girls we can sponsor each year since 2015. We pray for "our" girls at worship, display their pictures, play the videos and consider each student as part of our church family. The Presbyterian Church in Bound Brook*

## **Individual Donor:**

*My Husband and I sponsor a little girl named Fairi. At the school, Fairi gets three nutritious meals a day, a school uniform, books, and tuition for school. She stays in the boarding house and walks down the hill to the school every weekday. She is safe and well cared for. Through her scholarship, Fairi and her family have been given hope for the future. She'll probably educate other family members and be able to get a job to support her family. Jane Cranston*

## **Graduate of CGHS Martinpur, 2015**

*My name is Naseema Haroon and I'm serving as staff nursing at Ittefaq Hospital, Lahore. It would not be possible without the support given to me.*

## **Boarding House Student: Saba, CGBH Sargodha**

*I feel lucky that I have been given the chance to live in the boarding house, otherwise, I couldn't have attended any school. The last nine years have been wonderful.*

## **Scholarship Student: Inshal**

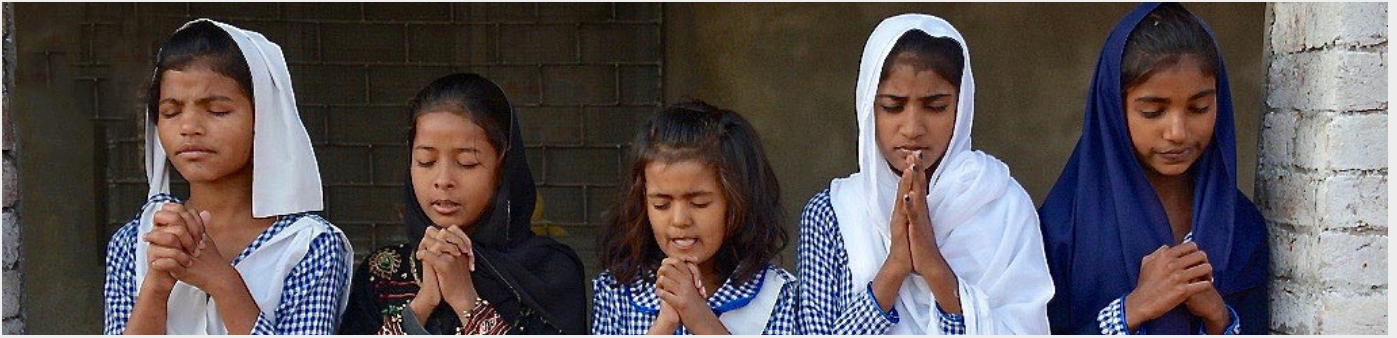

*My father has died and my mother is the only helping hand for us. We are two sisters both are getting education in PEB School system. I am receiving scholarship just because of you. I want to be a doctor and I am ambitious to hit the target. I am burning mid night oil to make it happen. It will not be possible without your support. May God Bless you.*

## **Principal during quarantine, CGHS School Pasrur**

*We trust and believe in our Lord Jesus Christ and pray that he will guide us and give us the strength and wisdom to deal with these tough times. As a principal of the school, I have my faith and trust in the Lord and continue to work extremely hard to provide the best care and help I can to the school, students and their families. Zerafshan Yousaf*
