Presbyterian Education Board in Pakistan

Preface

In 2023 we are celebrating 25 years of denationalization with 25 schools under the management of the Presbyterian Education Board in Pakistan (PEB).

This booklet is in honor of 178 PEB team players who sacrificed their family/ personal time for the growth and uplift of PEB. My heart is filled with gratitude and thanksgiving for the contributions of all those who led this organization from the heart.

The PEB main office staff and principals of all schools made sincere efforts to collect the profiles of the staff who have worked in PEB for more than 10 years but unfortunately some of the records of schools is lost in the years of nationalization.

The data in this booklet/ volume has been collected in many ways. Many thanks to PEB Academic Staff, principals, friends and community development people who helped in data collection. Special thanks to the PEB Admin Department for their untiring efforts in compiling the data and designing this booklet.

Our regrets for the profiles not received of many faithful ones who have been working sincerely. Maybe when and if there will be a second volume we will include them.

This compilation is dedicated to the commitment of PEB Staff, who provided their selfless efforts to lead PEB to the highest level from their hearts. They have been like a candle burning themselves but spreading light. They worked hard to make PEB achieve its Vision, **to transform Lives through Education**

Sincerely,
Veda Gill

History

The United Presbyterian Church of North America began its mission in the sub-continent in 1854 with evangelism, medical work and education. Mission workers in the Sialkot area (part of present day Pakistan) focused their efforts in areas where the people were extremely poor. In 1881, the Christian Training Institute was opened as a primary school and as a feeder school for Gujranwala Theological Seminary. It became the center of education for Christian boys who could otherwise not afford education. Since its founding, C.T.I has produced many key leaders who have fulfilled the school's motto which is "Light to the World". Over the years other schools were also established in different areas of the Punjab.

In the year 1972 ten (10) Presbyterian Schools were nationalized. Out of these 10 only 7 were returned in 1998 to the Presbyterian Education Board in Pakistan and 3 are still to be returned by the government. The schools returned to PEB were in a very dilapidated and deteriorated condition and needed major renovations and new constructions, even some buildings were turned into ruins due to the neglect of 26 years of government management.

In the year 1998 Mrs. Veda Shaheen Gill was appointed as the Executive Director PEB. Under her able and visionary leadership PEB took the gigantic challenge to bring these schools back to their past glory.

Today, in 2023 after 25 years of denationalization these schools, by the Grace of God and under the visionary leadership of Mrs. Veda Gill along with her bravery and untiring efforts combined with commitment and dedication of PEB team the number of PEB schools had reached to **25**. The list include **4** Higher Secondary Schools (2 yet to be returned) **13** High Schools (1 yet to be returned), **8** Village Primary Schools, 5 boarding houses, 1 orphanage and community development projects. PEB had constructed **25** new buildings which include, Schools, Boarding Houses and Multi-Purpose Halls up till now. PEB is also blessed with a new office building at 6 Empress Road, Lahore.

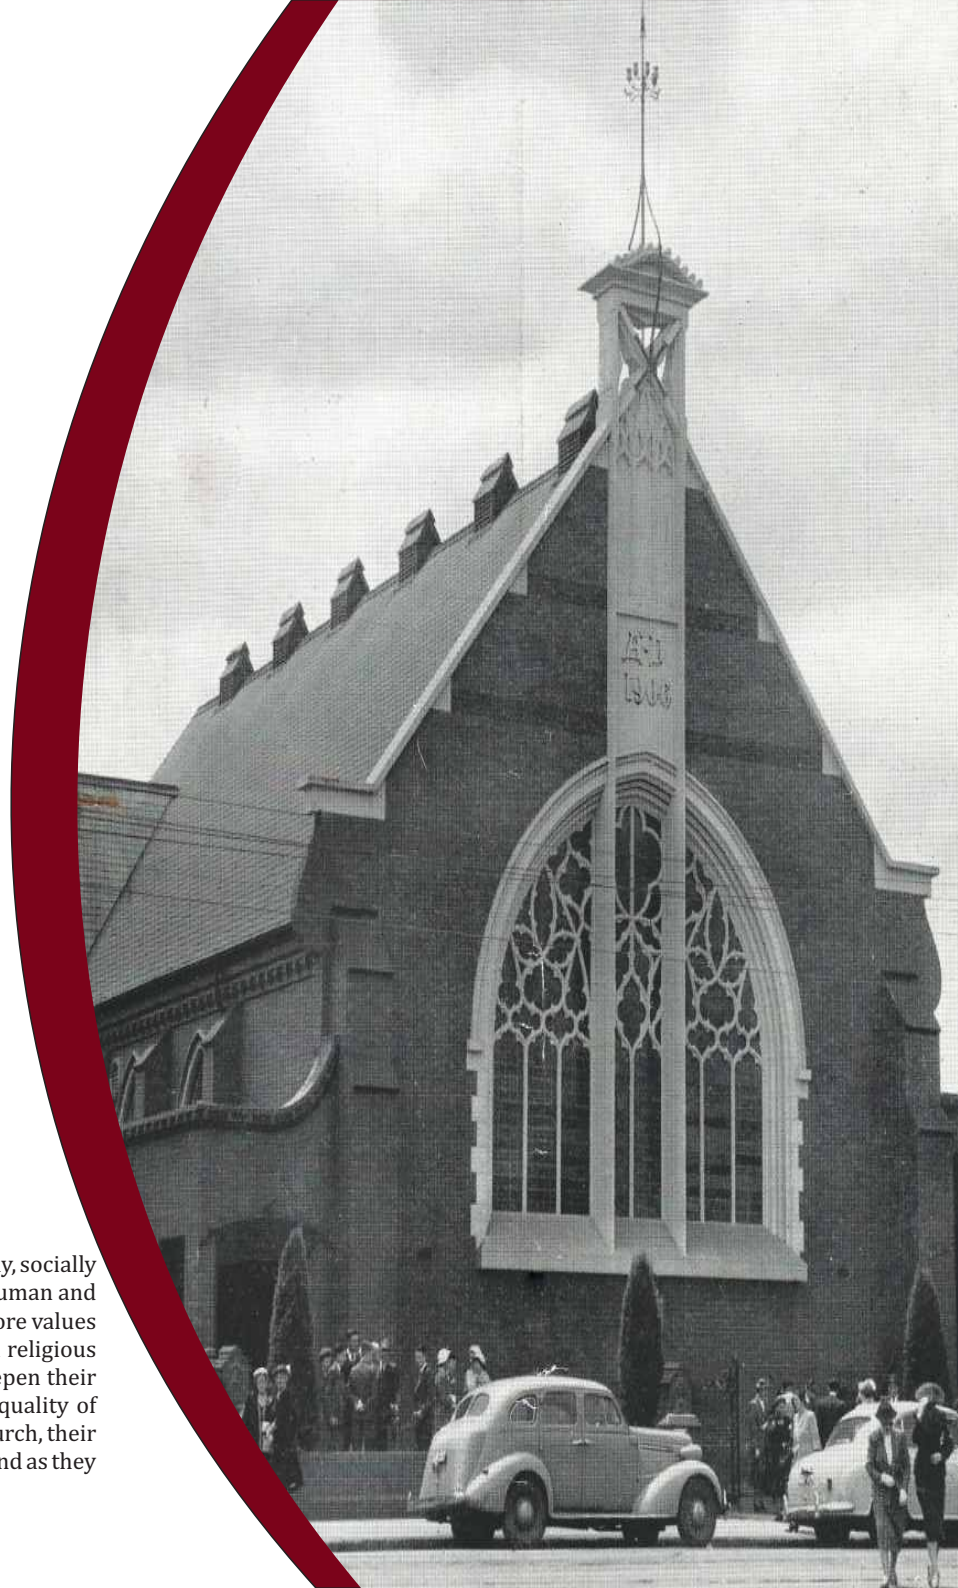

Vision

Our vision is to provide in an enduring way the highest quality education responsive to the needs of the whole child with preparation for the needs and demands of the 21st Century. We wish to offer this education to children of all religious backgrounds regardless of their ability to pay who choose to come to Christian institutions – not to be converted but to receive high quality education fully informed by Christian values.

Mission

Our mission is to provide high quality education that addresses the needs of all individuals morally, physically, intellectually, socially and spiritually so essential for each individual's quality of life. The Presbyterian Education Board exists to provide the human and financial resources necessary for educating children in mind, body and spirit within an environment that embodies the core values of self-discipline, integrity, tolerance and respect for others, and fairness and justice in all of our dealings. We value all religious traditions while being rooted in our own Christian tradition. Christian students will be empowered and enabled to deepen their faith and their sense of community with one another. All students will be educated to have a spirit of service and a quality of character that will enable them to contribute to positive changes in society as citizen-leaders of their community, their church, their country and the world. They will be prepared to successfully compete as they go on in intermediate and higher education and as they prepare for the world of work.

Message From The Chairperson

It is with immense pride and gratitude that I acknowledge our dedicated employees who have steadfastly served Presbyterian Education Board in Pakistan for a decade or more. Your unwavering commitment to our mission has been the cornerstone of our success.

Over the years, you have not just worked for this organization; you have been an integral part of the PEB family. Your passion, team work, expertise, and dedication have transformed lives, and shaped the future of countless children and their families. Your loyalty and perseverance inspire us all. Thank you for your remarkable service, and here's to the next decade of making a difference together.

MARGY TRIMBLE

Message From The Executive Director's Desk

My heart is filled with joy, gratitude, thanksgiving and appreciation of this team who have poured their sweat and blood to make a difference in the lives of thousands of students of PEB and also contributed positively in the growth of PEB. This is the core team who sacrificed their family time, their rest time and worked diligently if and when required.

In past 25 years, PEB has witnessed success and growth which would not have been possible without the committed staff. The amount of effort each one has put in for the progress of PEB is tremendous. It is my honor and privilege to appreciate each and every member of the team for showing relentless and untiring efforts. The energy levels and sincerity which was displayed was exemplary.

With the return of the schools in 1998, general impression in the community was, that PEB will not survive for more than three months. It is the dedication and commitment of the team which has contributed towards the development in different sectors of PEB facing countless challenges.

Many of the team members stayed back late at the office and their great efforts have been a fuel to build the organizational culture of PEB.

They maintained their performances even though more work was added to their role. They and their services are invaluable gift to PEB

I must admit, it amazes me to see so many stayed faithful in the least. When in the beginning PEB had little resource, yet many stayed committed in spite of many financial, cultural and emotional challenges. They have been the individuals who prioritize the team before themselves, and they all deserve utmost appreciation. I want to say thank you to them for preserving through the difficulties and presenting worthy results.

I also want to appreciate and say thank you to specially those who paid attention to minor details. Their contributions saved PEB from bigger bumps. They have been a blessing and PEB dream of having more and more team members like them. They are the ones who struggle to attain perfection but strive to achieve excellence.

As it is said darkness cannot drive out darkness, only light can do it, these members have been a beacon of light and hope for PEB.

Thank you from the core of my heart.

CHAIRPERSON'S REFLECTION ABOUT THE EXECUTIVE DIRECTOR PEB

As the Chairperson of Presbyterian Education Board in Pakistan, it is an honor and a privilege to reflect upon the incredible journey of our Executive Director, Veda Shaheen Gill, who has dedicated 25 years of unwavering service to educating children in Pakistan.

Through her visionary leadership, Veda has grown PEB's school system from 7 schools to 25 schools, and expanded PEB's reach to community development, women's empowerment, orphanages, and numerous other projects to improve lives in Pakistan. She has inspired countless individuals, both within and beyond the education sector, to join the mission of transforming lives through education.

More than just a colleague, I am privileged to count Veda as a dear friend. Her faith and motto "I will do my very best and God will do the rest" has inspired me and countless others in Pakistan and around the world.

Veda's example of dedication, courage and perseverance will continue to inspire generations to come, and her impact on the lives of thousands of children in Pakistan will be felt for decades to come.

As we celebrate this remarkable 25-year milestone, I offer my deepest gratitude to Veda. Her unwavering dedication to PEB has been nothing short of extraordinary. Here's to Veda—a true visionary, a cherished friend, and the heart and soul of our mission.

With the utmost admiration and gratitude,

Margy Trimble

IJAZ RIAZ (Associate for Finance)
Since 1996

Since joining PEB in February 1996, despite facing challenges and uncertainties, our team's conviction that God was working behind the scenes never wavered. Over 25 years, PEB has grown significantly, from humble beginnings to a well-equipped organization with various accomplishments, including infrastructure development, educational support, and staff expansion. Financial sustainability was a major hurdle, but innovative strategies and technology adoption helped overcome it. In my over 27 years of service at PEB, we never encountered rejection or disappointment. Instead, our prayers and hopes were consistently fulfilled in the name of Jesus Christ. PEB's impact on thousands of students and their families is evident, reflecting their commitment to excellence and providing opportunities for the underprivileged. The organization's success has inspired a network of supporters who share the mission of educating the disadvantaged. I would like to express my heartfelt gratitude to everyone who has been a part of this incredible journey and looks forward to a promising future with continued support and blessings.

“ Being in leadership was not easy for me, but with a team like you at the back everything seems effortless. You always motivated me and supported me in thick and thin. Your commitment, honesty, integrity, hard work helped PEB strive. You played a vital role in the growth of PEB. Without your untiring efforts PEB would never have reached where it is today. Thank you indeed for your services.

SIMON JACOB (Associate for Administration & Properties)
Since 2002

“Even a weak but dedicated team when led by a strong and brave visionary leader can achieve the impossible”.

The gigantic progress which PEB have made in all these years and of which I am a witness, is due to the inspirational leadership of Mrs. Veda Shaheen Gill the Executive Director.

It is said that learning is a continuous experience which is life-long. After joining Presbyterian Education Board in Pakistan learning became a rollercoaster ride for me, some days PEB taught me slowly and some days I had to use maximum energy to learn new things. During my time in PEB till date I am blessed and very fortunate that I am learning and experiencing something new every day, whether it is regarding legal cases, construction technicalities, admin tricks, security concerns, working on visa letters, my computer skills, dealing with the agencies, schools' matters or dealing with people. PEB keeps me on my toes to keep learning and keep progressing.

I would like to take this opportunity to especially thank my wife and both children for their patience, understanding and supporting me in every aspect during all these years. Thankful to God for being a small part of PEB.

“ You have the best combination of talent, skills, commitment and attitude that add ups to great performance, you paid attention to the minor details which contributed to the success of the organization. You have taken extra work with a smile and delivered it with integrity. Your untiring efforts helped PEB grow. Thank you indeed for your services.

Executive Director's Reflection ”

VENUS SULEMAN (Associate for Academics)
Since 2013

In March 2013, I joined PEB as the Associate for Academics, but my connection with the organization dates back to 1930's when my mother was a student at Christian Girls High School, Sangla Hill. When I was young both my parents worked in Rang Mahal High School, Lahore. Over the past decade, my experience working with PEB has been incredibly rewarding. Being able to serve the humblest individuals through this platform has brought me immense satisfaction, and I have witnessed the transformative power of God's grace in the lives of many associated with this organization. Under the leadership of the Executive Director, PEB has positively impacted numerous lives through education. Reflecting on my 10 years here, I genuinely wish I could have joined this esteemed organization earlier.

“ You were able to elevate the work experience of the academic team. Your motivation and kindness are the few traits that make you a great leader. Your understanding, support, encouragement, and experience helped your team to grow and reach to their highest potential. Your valuable contributions endorsed the PEB Family culture. Thank you indeed for your commitment.

Executive Director's Reflection ”

RUBY SAMSON (Coordinator for Academics)
Since 1999

I have been employed with the esteemed Presbyterian Education Board Pakistan for the past 24 years. My association with the Presbyterian Education Board dates back to my childhood when I enrolled at Kinnaird Girls High School, Lahore. Later, I joined Kinnaird Academy upon receiving a personal offer from Miss Zeb Zaman, who was also my principal at that time.

In 2012, I was appointed as the Coordinator for Academics at the PEB Head office, which led me to move from Kinnaird Academy to the PEB Office. This change of environment enhanced my skills and abilities. The presence of Mrs. Veda Shaheen Gill, Miss Lynn Masterson, and the diverse group of trainers provided me valuable opportunities for my personal growth through various training programs. They helped me to improve my management, interpersonal, and communication skills. For the past ten years, I have had the privilege of working under the guidance of Mrs. Venus Suleman, my Head of Department, who has been an invaluable source of learning.

Throughout my career, my thirst for knowledge and unwavering determination have been instrumental in my success. As an educator, I have dedicated 16 years in teaching. I served at Kinnaird Academy High School for Girls, Lahore for 14 years. This is PEB's flagship school. In addition to my teaching responsibilities, I also served as a coordinator for the middle and senior school.

I am very grateful for the opportunities given and growth I experienced during my years of service here, a platform to grow and excel in my career with the Presbyterian Education Board in Pakistan.

“ Ruby Samson joined Kinnaird Academy as a teacher in 1999, her hard work and dedication enhanced her abilities which moved PEB to appoint her as an Academic coordinator in PEB Head Office. She is a valuable educationist and contributes to the best of her abilities in the uplift of the organization. She is conscientious and a punctual worker, always willing to work under any situation. She takes good care of equipment and supplies. She is always ready to plan, manage activities for the holistic growth of the students.

KHURRAM JOHN (I.T. Coordinator (Academics)) **Since 2003**

My name is Khurram John and I have served as the IT Coordinator for Academics since 2003. I embarked on my journey with PEB at the young age of 23. I initially joined PEB in response to my parents' desire for me to dedicate a few years of service to a Christian organization, having previously worked in different secular establishments. However, within a year of joining PEB, I experienced a deep conviction that this organization was the height of what I could aspire to. An indescribable inner strength and calmness enveloped me, leading me to believe that I was chosen by God for PEB's work.

The past twenty years spent with PEB have been a delightful adventure. Witnessing numerous advancements within PEB has been truly remarkable. I have observed the transformation from only two computers in the entire PEB head office to now having dozens of computers and laptops, as well as hundreds of computers in PEB schools. Furthermore, our head office staff has grown from a mere six employees, including myself, to over 30 dedicated individuals. Moreover, the organization has expanded to include several departments, signifying immense progress.

Throughout these years, we have faced various challenges head-on, under the compassionate guidance of our Executive Director, Mrs. Veda Shaheen Gill. Together, we have fought legal battles and combated illiteracy, overcoming every obstacle in our path. The most inspiring aspect is that our journey continues to unfold, with new milestones waiting to be achieved.

“ The past twenty years that you spent with PEB, have been a delightful adventure. You witnessed the growth of the organization. Your dedicated contribution has been incredible all through. Throughout these years, you faced various challenges under the compassionate guidance of the executive director, Mrs. Veda Javaid but you successfully overcome every obstacle. You are always available when needed and can work beyond office hours, when necessary, without complaint. I have always found you a willing worker and a very supportive of co-workers. You work to be the best for the team rather than being the best of the team.

Head of Department's Reflection ”

KAMRAN SHEHZAD (Coordinator for Village Primary Schools) **Since 2012**

I believe that it was God's plan for me to be a member of the Presbyterian Education Board (PEB) in Pakistan from December 2012 until the present day. I feel honored to be involved with such a forward-thinking organization that carries out apostolic work while upholding genuine human and Christian values, aiming to improve lives both materially and spiritually. I take pride in playing a modest role in the progressive development of underprivileged individuals and students.

Being a part of PEB has provided me with valuable opportunities to learn and grow, particularly in terms of efficient teamwork. The learning experience is a salient aspect of being involved with PEB, but what truly sets it apart is the emphasis on creating an environment for spiritual growth. It has been a truly remarkable and blessed period of my life. I am grateful to PEB for their contribution and offer my ultimate gratitude to God.

“ You are competent to do every piece of work that takes place in the Academic department. Your positive attitude towards everything you do, makes a lot of difference. Any work that is given to you, you work with dedication and to the best of your ability with maximum perfection. You are always ready to learn and improve your abilities

IRFAN ANAYAT MASIH GILL (Accountant) **Since 2012**

In 2012, I joined PEB as an accountant, where my main responsibility was to collect monthly fees from students. I would regularly visit all the PEB schools to ensure accurate recording of fee collections. I also made sure that the principals were actively involved and supported the accounting staff in collecting the monthly fees. Over the past ten years, I have faithfully served in this role and have been deeply captivated by the spiritual atmosphere within the PEB system.

My mother, Alice Anayat, was an alumna of Christian Girls High School, Pasrur. She completed her matriculation in 1964 and had an exceptional experience both as a student in the school and as a resident in the boarding house. During her time, the boarding house residents were responsible for cultivating vegetables within the premises, harvesting, and cooking for all the children on a rotational basis. We would carry our bedding and luggage home during summer vacations, Christmas, and Easter holidays, and repeat the process upon returning to the boarding house. My mother considered herself fortunate to have received formal education and religious teachings through the PEB school system.

On November 17, 2007, she initiated an annual scholarship for the highest achiever in matriculation living in the boarding house. Even after her passing, her daughter Ms. Reeba Gill continued the scholarship. Ms. Reeba Gill is highly qualified and currently serves as the principal of Kinnaird Academy Lahore, which is a top-rated PEB School.

Our entire family expresses deep gratitude to Mrs. Veda Gill, the Executive Director of Presbyterian Education Board, for her transformative efforts in turning the Pasrur School and boarding house and other PEB schools and boarding houses from old-fashioned establishments into modern English medium schools with well-furnished boarding facilities.

“ He is an exceptionally dedicated and sincere member of our organization, diligently working with utmost commitment. We extend special tribute to his responsible nature. He is a highly cooperative member of PEB, and his remarkable endeavors are focused on maintaining PEB's school fee system efficiently.

Head of Department's Reflection ”

NAUMAN AFZAL KHAN - I.T. Coordinator (Finance) **Since 2013**

My name is Nauman Khan, a dedicated employee, I joined PEB on February 20th, 2013. Recognizing the immense potential for professional growth within PEB, I have always felt motivated to excel in my field. The top management has consistently acknowledged my hard work and dedication. I am sincerely grateful to the organization for its unwavering support in ensuring the education of my children, particularly my eldest son, Hureb Nauman, who is currently pursuing his Associate Degree Program at a prestigious university in Lahore. I firmly believe that I am a perfect fit for PEB, and I consider myself incredibly fortunate to have experienced both professional and personal growth. I extend my heartfelt appreciation to the Executive Director.

I experienced a heart attack and also contracted COVID-19, both of which posed significant challenges for me. However, throughout this difficult period, my PEB family stood by my side tirelessly, offering unwavering support day and night. Their collective dedication played a vital role in my swift recovery. The immense support I received from my colleagues boosted me towards a rapid and successful healing. I am immensely grateful for their constant presence and assistance during this challenging time. Thank you, PEB family; may God bless you.

“ Nauman is multi-tasking, multi-talented, and has diverse IT experience at different places. He possesses commitment, honesty, and dedication and is always willing to work to complete the task even most of the time spend extra hours. His dedication and professional expertise are a great help for the smooth, uninterrupted, and untroubled working of our IT system not only in PEB but also in all PEB institutions.

Head of Department's Reflection ”

RUBINA KHURRAM (Supervisor House-Keeping PEB Head Office) Since 2010

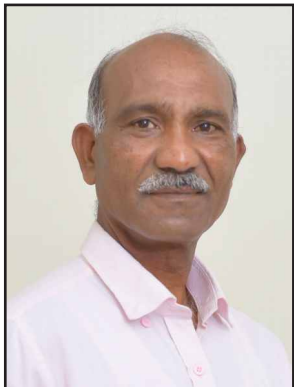

My name is Rubina Khurram, I joined PEB as a quality control supervisor in October 2010. I was involved in the Struggle Hope and Empowerment (SHE) project, which focused on women's empowerment. With a religious background, I actively participate in my Presbyterian Church as a choir member and scripture reader. In the PEB office, I led religious rhyme singing and Bible recitation during the morning devotion. Apart from supervising the office maintenance and housekeeping team, I also had some experience working with special children through PEB Rainbow School.

I experienced valuable guidance from the executive director and all the heads of departments, especially in the areas of marketing, purchasing, and quality control in production. Their leadership taught me a lot, and I am grateful to them. Additionally, I express my gratitude to PEB for granting a scholarship to my son, Zarrick Khurram, who is currently studying at Forman Christian College.

As a person with a target-oriented mindset, I do not limit myself to official time frames. While I always adhere to the official working hours, I am committed to staying in the office, market, or production site until I have completed the assignments given by my superiors. I have dedicated myself to the PEB family because they have always supported me and my family through both challenging and joyful times. Long live PEB.

“ Mrs. Rubina Khurram's service as our Vocational Quality Control Officer over the past ten years have been exceptional. Throughout her tenure, she has consistently demonstrated remarkable expertise, attention to detail, and a deep understanding of quality control principles. Her dedication to upholding product standards and implementing effective quality control measures has set a benchmark for excellence within our organization. Her expertise contributed to the continuous improvement of our programs, resulting in enhanced learning experiences for vocational students and increased recognition within the target areas. Her contributions are deeply valued. Mrs. Rubina is now being given the added responsibility of “Supervisor House-Keeping” in the PEB office. She is very efficient and diligent in her work. I always appreciate her going into the minute details of the work she is getting done. I appreciate the untiring efforts and her continuous hard work for keeping the office space and the environment neat and tidy.

NASIR MASIH (Assistant Maintenance Supervisor) Since 1993

In 1992, Nasir Masih embarked on his career as a multitasking support employee, working under David Hudson who was the executive secretary PEB during that time. He is one of the most dedicated and committed employee of PEB. He expresses deep gratitude to the Presbyterian Education Board for the tremendous support they provided to his family. This support included scholarships for his children, resulting in two of his daughters successfully completing their matriculation at Kinnaird Academy. Furthermore, his eldest son, Daud Nasir, has showcased exceptional proficiency in nursing and currently specializes in ICU at Shalimar Hospital. Nasir is profoundly grateful for the financial assistance offered for his wife's cancer treatment. He expresses gratitude towards PEB for providing a family residence, acknowledging the organization's support in this regard. He holds the Presbyterian Education Board in high regard, considering them as his true family.

“ Nasir's association with the PEB is of 30 years and he is still going strong. His commitment, dedication and honesty are exemplary. Due to his humble and soft personality he is liked by the staff. You can depend on him for any work anytime of the day or night

Head of Department's Reflection ”

OMER HAYAT (Maintenance Supervisor) Since 1997

In 1997, Omer Hayat, the twenty-year-old son of Sabir Masih, joined the Presbyterian Education Board. He took on various responsibilities as a versatile support staff member, which included night watchman, handling bank deposits, and managing office files. Omer's proactive mindset led him to acquire additional skills in computer programs including In-page URDU and Excel. He is the custodian of the office keys and therefore is the first one to come and the last one to leave the office. All of the PEB staff and guests either local or foreigner are impressed by his excellent cooking abilities.

PEB showed great generosity by providing scholarships to all three of his children. Omer's family has achieved remarkable milestones, with his son, Robbin Omer, currently in the process of pursuing his dream of becoming an assistant commissioner through the ongoing CSS examination. Additionally, his daughter, Mary Omer, who previously attended Kinnaird Academy, is pursuing a career in medicine. Omer expressed deep gratitude to PEB for its invaluable assistance in preparing his son for the CSS examination. Furthermore, PEB also provided a family residence for their convenience.

“ He joined PEB as a young boy and now his children are grown up and entering their professional lives. He is another person who has devoted his life for the betterment of PEB and its institutions. He is a multi-talented person and is used in different departments of PEB for doing filing work, book binding work, photo copy etc.

KHALID MASIH (Driver) Since 2006

In 2006, Khalid Masih joined the Presbyterian Education Board (PEB) as a driver, an experience that had a profound impact on his personal development. Initially relying on public transportation and a bicycle for commuting, he eventually purchased a new motorbike, coinciding with the arrival of triplets in his family. Khalid expressed his heartfelt appreciation to Mrs. Veda Javaid, the executive director, for the PEB scholarships that facilitated his children's education. His two daughters, Asbah Khalid and Jessica Khalid, successfully completed ninth grade at Kinnaird School. Khalid mentioned that PEB became like an extended family to him, and he shared touching accounts of the organization's support during his daughter's serious illness and his own health challenges.

“ A very proficient and dependable driver who is doing his duty with commitment and honesty. One feels very safe when he is on the driving seat.

Head of Department's Reflection ”

AKHTER YAQOOB (Driver)
Since 2007

Mr. Akhter joined the Presbyterian Education Board (PEB) as a driver in October 2007. He expressed deep gratitude towards the PEB administration, highlighting their consistent support during challenging moments as well as joyful occasions. The religious atmosphere within PEB held a special place in his heart. He also highlighted the nurturing role of the executive director, who embodies the true spirit of the organization.

“ A driver and a Pastor, with this combination in minds we feel relaxed and comfortable while he drives as we can expect double safety. He is also a multi-talented person and also does the purchasing for the office.

Head of Department's Reflection ”

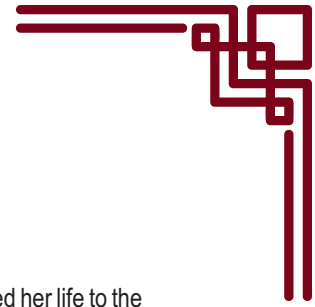

VICKY SARDAR (Office Boy)
Since 2013

In 2012, he started working as an office boy for the Presbyterian Education Board. He actively participates in various tasks like serving guests, distributing hostel rations, and helped in pre-arrangement of official programs and different school activities. He feels that his association with the organization is instrumental for his achievements. He is amazed by the unforgettable experiences he had, including a teacher's training trip to Murree, receiving Christmas gifts, and financial support for dental treatment. The organization proved to be supportive in both joyful and challenging times, leading him to wish he had joined earlier.

“ He is taking care of our health as he works in the kitchen. A multi-talented person, his expertise also includes working on the photocopy machine.

EX –Employees of PEB Head Office

LYNN MASTERSON (L) - Associates for Training & Development 2006-2021

Lynn Masterson, known for her unwavering dedication, honesty, and strong faith, became a part of PEB in 2006. She wholeheartedly committed her life to the organization, sacrificing personal relationships and recreational pursuits. Lynn played a pivotal role in nurturing PEB with her vast experience and boundless enthusiasm, utilizing her prime years to shape its growth. She diligently trained the teaching team to cultivate logical and creative thinking in young minds. Lynn developed comprehensive English literacy & phonics curriculum spanning phase 1 to 5, along with science and social studies materials tailored for nursery to second grade.

With a master's degree in chemistry, Lynn transferred her scientific aptitude to the next generation. She organized and facilitated inter-school science competitions, providing students with opportunities to explore and showcase their scientific skills and knowledge. Lynn's passion for science education helped inspire young minds and foster an interest in the subject.

Furthermore, Lynn was committed to fostering a spiritual environment within the educational community. At Kinnaird Academy, she took the lead in conducting morning assembly sessions, providing a platform for students to start their day with spiritual reflection and guidance.

SHAFQAT MUNIR (Coordinator for Academics) 2005-2018

My name is Shafqat Munir, and I embarked on my journey at Kinnaird Academy in 2005, where I devoted my services to the Presbyterian Education Board (PEB) as a Teacher Trainer. My role involved visiting PEB Schools to observe the teaching staff and provide them with the training they needed to excel as professional educators in subjects such as Urdu, Islamiyat, Pak Studies, Economics and Home Economics.

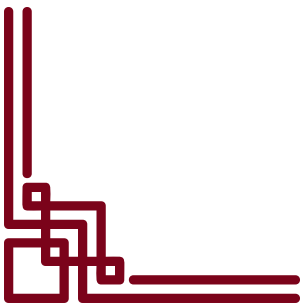

One of the remarkable aspects of my professional journey with PEB was the diversity of the staff, many of whom were from non-Muslim backgrounds. Working in such a multicultural environment was not just rewarding but also an incredible learning experience.

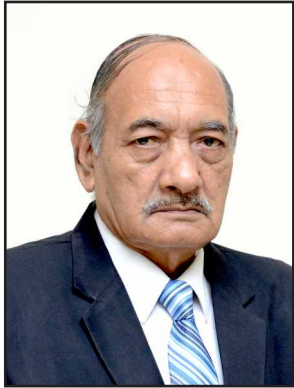

I had the privilege of witnessing the growth of this educational institution under the exceptional leadership of Mrs. Veeda Javaid. Each member of the staff was an absolute gem, dedicated to the noble cause of education.

After dedicating 13 years of my life to PEB, I retired with profound love and affection for the organization. The growth of this educational tree, with its strong roots and extraordinary branches, continues to provide invaluable educational nourishment to the youth of Pakistan. My heartfelt wish is for Allah to bless them with even more strength to flourish in their mission!

“ Mrs. *Shafqat Munir* who served PEB from 2005 – 2019 as a coordinator for Urdu, Islamiyat and Pakistan Studies. She was a very dedicated and a hardworking person. She conducted number of trainings in her related subjects. Her commitment and services related to Urdu and Islamiyat have played a very vital role in the uplift of students' results in matriculation examination.

JAMES ALBERT (L) (Coordinator for Science Laboratory) 2006-2019

James Albert joined the Presbyterian Education Board in 1906 as a laboratory attendant, responsible for maintaining and managing the science labs across the PEB school system. Throughout his tenure, James consistently proved himself to be a reliable and confident individual, always willing to assist and collaborate with his superiors and colleagues. He greatly contributed to the knowledge and experience of his peers. Prior to his time at PEB, James had gained valuable communication and record-keeping skills while working alongside American missionaries and government officials. He showed unwavering dedication to his role and genuinely cared about the students' future. Unfortunately, in his final days of service, James contracted pneumonia, which tragically led to his passing. We offer our heartfelt tribute to his remarkable service.

“*Mr. James Albert worked in PEB from 2006 – 2019 as a coordinator for science laboratories. He was very conscientious in maintaining and managing the science laboratories across the PEB school system. He was a reliable and a willing worker and contributed to the organization to the best of his ability and experience.*

He continued working in this organization till he was called for his heavenly home. All the PEB school Principals and the faculty of science department miss his contribution a lot.

SADIA JULIAN (Teacher)
1999-2022

My name is SADIA JULIAN I live in Martinpur. I have done Masters in Education and I joined Christian Girls' High School Martinpur on 11th October, 1999 as a teacher. In 2004 an opportunity was provided by PEB for IT and Spoken English Language in Lahore, luckily I was picked for the training from Christian Girls' High school Martinpur and completed the training successfully.

After 7 years Presbyterian Education Board management decided to give me additional responsibility as Deputy Head and I continued my services of teaching and additional Deputy Head responsibility, in 2008 Presbyterian Education Board decided to put another responsibility of Vice Principal which I accepted as challenge and worked very hard along with staff and Principal Ms. Rifat Nazir, by the grace of God school achieved much success with combine effort of whole staff.

In 2009 I got a chance to visit my sister in Scotland for half an year, in the meantime Mrs. Farhana Amir Sohail took over the charge and PEB management gave her responsibility as Principal.

In 2010 I rejoined the school as Assistant coordinator for three schools Christian Girls High School Martinpur, Christian Boys' High School Martinpur and Christian Girls' Higher Secondary School Sangla Hill.

PEB management decided to have spoken English classes for Teachers and students, with the coordination of Ms. Lynn Masterson (late), by the grace of God I was chosen for this responsibility as well. I gained lot of experience of teaching techniques and improved my Spoken English by learning and teaching in school.

In 2015 I got selection in Government as ESE teacher. I was in a dilemma whether to join Government service or not then I decided to take guide line from Mrs. Venus Aftab Suleman (Associate for Academics) as I always used to do in my professional needs. She very heavy heartedly allowed me to grab the opportunity for my career sake.

Here I want to say special thanks to Presbyterian Education Board in Pakistan, especially Mrs. Veeda Javaid and entire PEB management, who provided us such an atmosphere to our door steps through which we learnt a lot and grow more and more professionally. I am also really thankful to all the foreigner trainers who travelled to Pakistan and trained us every year in Pakistan.

May God give more success to Presbyterian Education Board!

“ Ms. Sadia was appointed as a teacher. She taught in all sections during her tenure as a teacher. She went to America for two years in 2007. After her rejoining PEB promoted her as coordinator for both branches of Martinpur schools. She produced good matriculation results in her subject. Her hard work and efforts are always appreciated.

Since 2010

My name is QASIM MUZAFAR I live in Sahib Wala chak no 370. I have been serving the school as Senior Science Teacher for last 15 years and still this blessed journey is in progress, I have done B.Tech(Hons). I got my early education in Govt. Primary School Sahib Wala. I completed my Matriculation in Govt. Abu-Al-Khair High School Shahkot, which is well known school of the area.

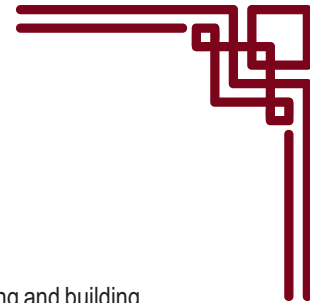

I joined Christian Boys High School Martinpur on 9th September, 2008 and started my teaching career as science teacher at the age of 20. I also taught in Christian Girls' High School Martinpur from 5th February, 2010 to February, 2012. I was transferred to Christian Boys' High Martinpur, I had the desire to work in an institute where I can work for humanity and serve community through education where I can also grow myself in all fields of life. I am lucky enough, that God has provided me opportunity to give my services to Christian Girls' High School and Christian Boys' High School Martinpur and learn something new and different. I have a great experience to learn other things than merely teaching the students. I have participated in workshops arranged by Presbyterian Education Board in Pakistan. It has polished my teaching skills. I gained a lot of experience of how to teach with modern techniques, deal with people, help slow learners when they struggle in studies, refine my practical science skills and use it for students and school, to know students more closely and teach them by becoming friendly. From 2008 to 2021 I achieved 100% result in Physics, Chemistry and Mathematics and got awards and certificates in Graduation Ceremonies by Presbyterian Education Board in Pakistan.

Above all working in PEB and serving in Christian Boys' High school gave me more opportunities to know more about Allah Almighty because in this institute I have the edge to teach Islamiyat (compulsory) as a subject to classes 8th, 9th and 10th.

May Allah use PEB more and more for His glory Amen!

EX –Employees of Christian Boys High School, Martinpur

IMRAN JULIAN (Principal)
2002-2019

Martinpur village is famous for providing religious and political leadership for Pakistan. The schools of Martinpur are the back bone for reshaping and building Christian community in Pakistan. Unfortunately, when the schools were at their peak, the Government of Pakistan Nationalized the schools. Thus began a long period during which the schools declined. However, God answered the prayers of many and Presbyterian Education Board able to takeover these schools after a long struggle. Christian Girls' Primary School, Martinpur (now High School for Girls) was denationalized in 7 September 1998 and after four years the other well recognized school Christian Boy's High School, Martinpur was denationalized on 02 February 2002 with deteriorated buildings, no boundary wall, broken furniture and with a very small number of 60 students in this High School, where prior to nationalization the school was co-educational and at one time there were more than 800 students in the school.

My journey with PEB started right from the beginning and in this way, I am a witness of all the transformation bring in during the last 25 Years by PEB, hardworking teachers, support staff, brilliant students and last but not least Martinpur community. I also passed Matriculation from this school in 1989 when the school was under Government control. At that time my father Mr. Julian J. Nath was in Government Service and served Government Christian Boys' High School, Martinpur as a teacher from 1968 to 1998. Even my Grand Father Mr. Jacob Jagan Nath served this school as Headmaster during the period prior to nationalization. My grandfather served this school for nine years from 1934 to 1943 then he joined Government service. Therefore, I have an emotional attachment with this institution.

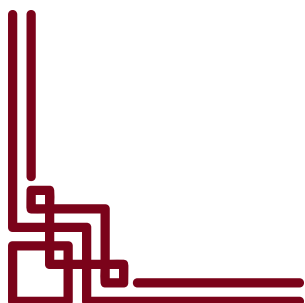

I joined Christian Boys' High School, Martinpur as teacher on 02 February 2002. I was being promoted as Coordinator for Academics in 2004 and in the same year being promoted as a Principal of the school. With the guidance of the profound leadership of Mrs. Veda Shaheen Gill (Executive Director) and support of many well-wishers' form all over the world, in a short span of time there was a marked difference in the physical structure as well as the academic standard of the school. The school started producing good results. In 2009 one of our students beat the 38 years old record of highest marks by achieving 82.4% marks. The following year our students not only beat the record of the previous year by achieving 86.4% marks but also the school produced 100% result. After that, students and teachers are setting high standards of excellence.

Building a boundary wall around 6 Acres of land was a challenging task but God made it possible. In 2014 we build boundary wall through the generous gift form Chinese living in Martinpur. Besides this the village school is also showing its worth against the city schools by winning trophies in the inter school competitions. The boys school won the Inter school Urdu debate competition in 2004, 2007, 2010, 2012, 2014 and 2016. In 2007, the boy school was the winner of the first Inter School Christmas Carol Competition. The school also received the trophy as winners of English debate Competition in 2015.

In sports we remain unbeatable for consecutive Four years (2014, 2015, 2016 & 2017) we have shown the true spirit of the school's slogan "MARTINS' FIGHTERS, TOP STRIKERS".

All these successes are due to the hard work and determination of the teachers who were working hard with the coordinated efforts of Academic Department of Presbyterian Education Board.

After denationalization, the school was deficient in so many things, but most of these deficiencies were overcome by the PEB. The building had seen the change of weathers for more than 90 years.

The comments of our Executive Director Mrs. Veda Shaheen Gill really encourage us. After we won the sports & Urdu Debate Competition, she said, "BRAVO you are the true Champions. Martinpur you really live up to "Martin's Fighters, Top strikers" winner of 3 PEB Inter-School Trophies. You proved its not buildings or best circumstances, it's the Leadership, Spirit and faith to Win. Deplorable School building but winner of 3 Trophies. Wish we can build a new building". This wish was seeming possible when Mr. Samuel Albert Martin the great grandson of Rev. Dr. Samuel Martin (founder of village Martinpur) visits Martinpur in 2015. He acknowledged the hard work of the teachers and students and promised to build a new building for the school with all modern facilities. In 2017 the construction work started and in 2019 we dedicated this new building in the name of Rev. Dr. Samuel Martin. I can see the bright future of the coming generations of the Martinpur, Youngsonabad and the surrounding villages in Christian Boys' High School, Martinpur.

AZAR FAZAL DIN (Vice Principal)
2008-2023

I joined Christian Boys High School Martinpur on 5th January, 2005. I started my teaching career first as teacher for three years, in 2008 management decided to select me as Vice Principal, in 2020 when whole world was going through Pandemic attack I took the responsibility to run the school as acting Principal for a year and a half. I had the desire to serve my community through education where I can also grow myself in all fields of life. I am lucky enough, that God has provided me opportunity to serve in this school to earn my livelihood as well as learn something new and different. I have a great experience to learn other things than merely teaching the students. I have participated in most of the INSET (in service teaching training programs) arranged by Presbyterian Education Board in Pakistan. It has polished my teaching skills. I gained a lot of experience of how to talk publically, teach with modern techniques, deal with people, help slow learners when they struggle in studies, refine my music skills for myself and for the benefit of students and school, to know students more closely and teach them by becoming friendly.

Above all working in PEB and serving in Christian Boys' High school gave me more opportunities to know more about God because in this institute I have the edge to teach The Holy Bible class as PEB management has arranged Open Theological Courses for teen age groups in schools.

In the end I would like to thank Mrs. Veda Javaid (Executive Director PEB) for providing our community a great blessing of God by gifting new building of Christian Boys' High School Martinpur and boarding hostel for boys known as HOPE CENTER May God bless her and her whole PEB team and use PEB more and more for His glory. Amen!

SHAHZADA PARVEEN (Principal)
1998-2018

I've served for 21 years in Christian Girls Higher Secondary School, Pasrur as a principal and it was my second home. The students of this school can never tell their stories without including the great role these wonderful people like Mrs. Veda, Ms. Elaine Markson and Lyn Masterson have played in their lives. Through these 21 years I've met Mrs. Khayal Ara, Ms. Zeb Zaman and many more, who were also working tirelessly for the betterment of PEB schools. I want to appreciate them for their steadfastness to see the students excel. When I think about who is the most hardworking person I know, my mind always drifts back to them. Regardless of the setting they were in, they were always putting their best foot forward to ensure the best environment for the students. The love & respect this institution has provided me is still guarded in my heart. My students are now established businesswomen, doctors, engineers. Christian Girls Higher Secondary School will always be in my mind and heart.

NOREEN ZAIB (Teacher)

EX –Employees of Christian Girls High School, Sargodha

KHAYAL ARA MANZOOR (Ex-Principal)
1984-2019

I was appointed as principal at CGH School, Sargodha before denationalization. I have to face many challenges. The physical condition of school was very wretched with leaking roofs and crumbling walls. The furniture was broken and insufficient. The school staff was not qualified, only 150 students were in the school. The Hostel was in very poor condition. The girls were living in 100 years back environment. Although PEB was controlling the school but the local bodies were interfering in the school administration.

In 1998 an iron and stunning lady Mrs. Veda Javaid Gill joined the PEB as executive Director

The school was denationalized after the joining of Mrs. Veda Javaid Gill. She tried to uplift the standard of all schools. She struggled to provide quality education as well as improve the buildings of the schools. Syllabus was revised, qualified teachers were appointed, and teacher's trainings were arranged. How can I forget the services of Miss Lyn Masterson who trained the teachers with new teaching methods and modern techniques.

After denationalization the time had been productive and I was better prepared to accept my challenges that come with school life.

I was encouraged in surviving through the greatest ordeal of my time. I was told that every child (student) is a special individual. Who needs a happy, secure and challenging environment in which to grow. A child's natural curiosity is to explore the world. It is vital that child receives an excellent start to school in friendly, caring and family atmosphere.

After the joining of Miss Lynn, we worked together to meet the challenges of specific educational goals for students as well as developing creative, independent, flexible and socially adept young people. The dedicated staff took a keen interest in all students and each student's future success by providing quality education that promote their growth and achievement. School's belief is in providing every child with broad and practical learning experience. Each child receives the care attention and opportunities which help them to learn to broaden their experiences and develop the self-confidence they need to grow into successful person in the life.

Before denationalization the Boarding House was in worst condition. It was an old fashion building with very less facilities. There were big dormitories accommodating 40 girls in each. Now new boarding building has been constructed with modern facilities. For all institutions I PRAY for success and progress.

“ From 1988 or earlier, Miss Khayal Ara Manzoor served as the principal of Sargodha Christian Girls High School. She faced all of the challenges of running that school with strength and bravery.

In 1988 the Presbyterian Education Board established as a first priority the renovation of the school and hostels at Sargodha. On a day to day basis, Miss Manzoor had to ensure this work was progressing well. She was supported by periodic visits of the Education Board treasurer Mr. Vincent David.

Miss Manzoor was an excellent leader and administrator. Mrs. Dorothy Wilder always spoke about her with glowing praise. Mrs. Wilder also sometimes worried that Miss Manzoor might get married or something else might happen that would cause her to leave Sargodha. As a single woman, she had to be very strong and face many pressures, but as it turned out, she remained there for her entire career!

Sometime in the early 1990s I recall traveling to Sargodha to conduct an in-service training program for the teachers there. Of course, Miss Manzoor was very supportive. She had shown adeptness in hiring good people and she encouraged them to improve their teaching methods.

Miss Manzoor is a shining example for any woman who would seek to lead in education.

Since 2012

Working in a school is not just a job; it is a calling. It requires patience, dedication, and a genuine love for children. Over the years, I have had the privilege of working with some of the most amazing students, parents, and colleagues, the privilege of not only teaching the language but also preparing students for Urdu debate competitions. Seeing them confidently present their arguments and ideas in front of an audience is a testament to their hard work and dedication. Each day brings new challenges, but it is the small victories that make it all worthwhile.

One of the things that I love most about working at Kinnaird Academy is the sense of community. We are all working towards a common goal, which is to provide the best possible education for our students. It is heart-warming to see how everyone comes together to support each other, whether it is during a school event or a difficult time. I am grateful for the opportunity to work with PEB and I look forward to many more years of making a difference in the lives of our students.

I have a long association with PEB schools, It started when I was the student of class six and lasted till today. My experience being a student and as a teacher had been incredible. I got my early education from Christian Girls High School, Sangla Hill, and spent my time as a college girl in Christian Girls hostel, Sargodha. I worked as a teacher in CGHS Sangla Hill for four years. After which I got married and moved to Lahore and got employed by Kinnaird Academy High School, the best place for me to get a job. It doesn't count how much time I have spent here, what counts is, how much I've learnt here! Kinnaird Academy High School had been very supportive in grooming my professional skills. I'm proud to be a part of PEB schools and Kinnaird Academy High School.

“ Ms. Saira Edward John worked as teacher in CGHS Sangla Hill for 4 years (Dec 1995-1999) and later joined Kinnaird Academy 23 January, 2014 to date. She has completed 10 years this year and feels proud of serving PEB.

To me, Kinnaird academy is not just a school or a place to earn money. It's like a sacred bonding or relation. When I joined here 10 years back I was totally blank with no experience; I had never done a job before, as we were running a family business of cars. I was very good at that but due to some circumstances I had to leave that business. I was facing hardships of life in those days and it was only Kinnaird Academy who gave me the opportunity with no experience. Since they gave me an opportunity I have learnt much over the years. It's not only a school it's a Vidyalia for me, Hindi word meaning a university, to me. I have really learned a lot here. The staff is so cooperative, loving, and helpful. Thanks to the PEB team Ms. Veda Javaid, Ms. Reeba Gill, Ms. Hina and others for their love and support and guidance to this day.

Miss. Zeb K. Zaman

Be rooted and built up in [Christ Jesus], be established in faith, and overflow with thanksgiving, just as you were taught. Colossians 2:7

Ms. Zeb Khan Zaman, the pioneer in establishing Kinnaird Academy High School for girls (1997) in Lahore, also has the honor of being the first Pakistani principal of Kinnaird Girls' High School (1970-1996). As a child, Ms. Zeb went to CGHS Haji Pura, a missionary school (yet to be denationalized). Studying in a missionary school developed her into a strong believer and deeply rooted in the truth of God's Word. Her faith in Christ Jesus keeps her from being moved or shaken, no matter how turbulent the circumstances. She has a thankful heart that resists fear and creates an atmosphere of joyful hope and peace around her.

As it says in 1 Corinthians 3:6-8, the Lord has assigned to each his tasks. I planted the seed, Apollos watered it, but God made it grow. Ms. Zeb Khan Zaman pioneered Kinnaird Academy which has been nurtured by Presbyterian Education Board under the leadership of Mrs. Veda Shaheen Gill. The school that started with 45 students, now has more than 715 students. The school is proud of its students' achievements in various fields.

Ms. Zeb retired in 2003 and now lives in Rawalpindi with her sister, Salim, and family. God has blessed her abundantly.

Prayer: Dear God, help us stay rooted in your love, grounded in your Word and ever growing in gratitude and grace. Amen.

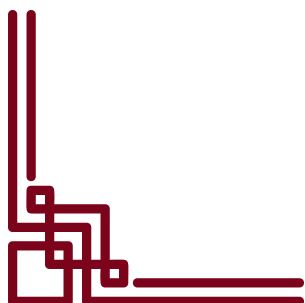

**SHAMA SAMUEL (Teacher)
2002-2016**

I joined as an assistant teacher to support my family at a very young age. I later became a class teacher, and I loved my class and taught them well, keeping in mind that they were the apple of their parents' eye. We learnt teaching young children through phonics and using a variety of materials. Parents loved to have their children in my class. I am still the same. The only difference is that I've been in a different country and struggling with some health issues, but my heart is the same. I still love children. my family and friends and Pakistan. I miss you all!

“ She thoroughly enjoyed working with students of Class nursery. Evident from the fact that Ms. Shama worked in Kinnaird Academy for 14 years till February 2016.

KIRAN ADNAN (Teacher) **12 Years of Service**

I am Kiran Adnan, and I was working as a class teacher of Nursery Blue in Kinnaird Academy. I was attached with this institution since when Ms. Zaman was the Principal and I was the helping teacher with Ms. Reeba Gill who is now the principal of this institution. My experience at Kinnaird Academy with her was amazing under her training and leadership of Ms. Zaman I was promoted as a class teacher of Nursery.

After the retirement of Ms. Zaman, I also had the experience to work under the leadership of Dr. Mary Linda for some time.

I left the school due to some personal reason and then again join the schools as a class teacher under the leadership of Ms. Lynn Masterson (now she is no more with us) and I was also a very amazing time I learned new ways of teaching. It was also a great experience to learn from the workshops arranged by PEB, we not only learn from these workshops but also had an experience to interact with my other colleagues from other institutes of PEB in different cities and with the foreign teachers from various countries.

In the end I wanted to thank Ms. Zeb Zaman, Ms. Reeba Gill, Mrs. Veeda Javed and all my Kinnaird Academy family for such a support and love

“ She resigned and left in September 2023 and migrated to UK. Ms. Kiran has also worked as a committed and valued teacher. She learned and developed as a good teacher. The school respects her for her commitment.

“PEB The Holy Fire”

PEB is a Christian Educational Organization with a tremendous history of serving mankind and community. Praise the Lord for founders and present, serving personnel and officials. PEB is open for those who have enough courage to give themselves up to enlighten others, the rest are suggested not to jump in this holy fire.

“ *Mr. Samir Lal is a very honest and dedicated principal. He has been with PEB for many years. Though many ups and downs have come his patience and dedication never end. He is one of the most dedicated and committed member of PEB team. He is always ready to do whatever*

PEB is an organization comprising of standardized group of individuals with a specific goal and motive. PEB has always taken action to make sure that their employees are comfortable enough with what is being provided to them. As an employee it is our responsibility to appreciate the support of PEB by sharing a thankful message which is a delightful moment to show our gratefulness for the organization we are working for.

I, with a warm and thankful heart pay homage to PEB. I am fortunate enough to have the chance to work with such a wonderful organization like PEB which has provided me with a number of opportunities to showcase my talent and has helped me to develop new skills. It seems imperative and appropriate to point out here the persistent collaboration and kind guidance solicited around the clock by Miss Lynn Masterson to us. Without her it would have been difficult for us to overcome the obstacles and to achieve our goals. May her soul rest in peace. Ameen.

“ *She is a very hardworking and dedicated teacher. She behaves very nicely to whoever comes to talk to her. She is a very kind and generous soul.*

Indeed, I feel honored and blessed to be a part of PEB, a historic Christian organization which has transformed the lives of thousands of deserving children by giving them respectable identity and making them a prominent and useful member of society through its educational services. Though it is not my first job, working with PEB has been a pleasant experience for me because of its conducive working environment. I am grateful to PEB for its teachers training programs, as they enable me to develop my professional skills and abilities.

I am grateful to Ma'am Veda for providing me the opportunity to serve PEB. I am highly obliged to PEB as a mother also for providing free education to my children. In this way, I am a witness of how PEB is transforming the lives of Christian children and families. May God Bless PEB abundantly.

SALMA SHAHZADI (Teacher)
Since 2010

My name is Salma Shahzadi and I joined PEB-EMS School on 11th February 2010 as a Class-2 Teacher. I was given the additional responsibilities of teaching Islamiyat and Urdu.

I am very fortunate to work in the PEB School System as I have gained valuable experience from the professional guidance and leadership of my principal and from the Academics Department of PEB. I have attended different training workshops organized by the Academic Department of PEB since I joined the system. I am very thankful to the entire administration and management of PEB for providing me the opportunity to serve community. I am hopeful that more facilities will be provided to me in order to further improve my work.

May the Almighty continue to bless Presbyterian Education Board and its entire team

JOSEPHINE MAQSOOD (Support Staff)
Since 2008

My name is Ms. Josephine Maqsood. I joined PEB School Sialkot on 17th September 2008 and feels proud to be the pioneer staff member of the school. I am working as Care-Taker since many years and gained much experience in looking after children of different age groups.

I am very thankful to the entire management of PEB and the principals for giving me a chance to work at PEB English Medium School Sialkot. The support and motivation I drive through this job is very encouraging for me as I have managed to support my family and even provide education to my child, which is a huge achievement for me through PEB.

I am very hopeful and confident that Almighty God will bless Presbyterian Education Board abundantly as it is a huge source of support and care for me and many others who are its beneficiaries.

“ She is helpful and co-operative towards the other staff. She is keen to accomplish whatever work is given.

O'NEILL EARNEST (Admin Assistant)
Since 2012

I joined PEB-EMS School Sialkot on 21st September 2012 as an Administrative Assistant. My initial contact with the PEB office was with Ma'am Veda Javaid, Executive Director of PEB. She guided me regarding the work I had to do at the PEB School System in Sialkot.

I was sent to Mr. Simon Jacob, Associate for Administration and Properties, who explained to me about my work as Administrative Assistant. My experience with the said person is very convivial and I feel secure and confident in performing my duties properly under his guidance.

I was also given the responsibility for fee collection. My experience with Mr. Ijaz Riaz Associate for Finances was very professional and I learned a lot over the past years of my service with PEB.

I am very fortunate to become the part of the Presbyterian Education Board in Pakistan and I learned much and gained valuable experience in the field of public dealing, parent and student matters, managing support staff matters, managing legal matters and even perusing the hardest issues of property and other administrative matters.

I feel privileged to work under 4 principals, i.e. two from each of Sialkot's two schools. It is in fact a unique opportunity to work under these honorable principals as I have gained much experience in managing different matters easily and effortlessly.

It is important to mention here that I had the opportunity to learn from Ms. Lynn Masterson. Whenever she visited the schools in Sialkot she gave me useful tips to improve my work. I would also like to mention here that Mrs. Venus Suleman, Associate for Academics also gave me useful guidance in improving my work.

In the end I would like to thank Ma'am Veda Javaid and the entire team of Presbyterian Education Board for giving me the opportunity to work in this well-reputed foundation which is changing the lives of people with its courageous efforts and facilities provided to its staff, families and children whom we all serve for the betterment of their lives. May God bless PEB.

1996-2018

A brief career I joined PEB as a Teacher in Solomon Standard High School. Later I was promoted to Vice Principal of this school. I had seen many moments of joy and sadness together. Working with PEB was a great experience, learnt a lot in PEB Teachers' Trainings we get every year from the trainers from aboard. These trainings and experience with PEB transformed my life and advanced my educational horizon.

I missed the glorious days spent in Solomon Standard High School under the great Leader of Mrs. Veda Shaheen Gill Executive Director PEB.

“ Mrs. Rebecca Munir joined the Solomon Standard School in 1999. She was a very hard working and dedicated employee. She took interest in both the academics and co-curricular activities of the students. She was always ready to help the teachers and staff in the time of need. Saeeda Atma Ram (Late)

Sheila Imam Din came to Sangla Hill when she was just four years old. She said that she had no problems adjusting; because her aunties worked there, it felt just like home. She remembers Sangla Hill as a place where there was good education, discipline, a warm family-like atmosphere, and vital spiritual life. One of the aunties mentioned by Sheila was Miss Saeeda Atma Ram, who came to Sangla Hill as a first grader in 1934.

What Miss Atma Ram remembered most about the Sangla of her childhood are the beautiful and hardworking women who ran the school and hostel. There were problems, too, like snakes getting into the hostel and a shortage of handpumps when it was time to bathe or wash clothes. After finishing middle school, Miss. Atma Ram did a two-year teacher training course and returned straightway to Sangla Hill, where she served continuously for more than 48 years—first as a teacher in the middle school and then as superintendent of the hostel after she retired from teaching.

For a period in the 1970s the school and the hostel were closed down by the Board because funds had run out. During that time, Miss Atma Ram and two other ladies worked without any salary for 18 months to keep the school and hostel open. Seeing the example of their selfless dedication, the Education Board began giving small grants again.

From 1989 to 1994, I remember Miss Atma Ram's silvery hair, her smile, her gentleness, her wisdom, and her concern to see the hostel facilities at Sangla Hill renovated and made safe for another generation of girls.

HOSEA chapter 14 verse 7

“And his fragrance like Lebanon those who dwell under his shadow shall return; they shall be revived like grain, and grow like the vine. Their scent shall be like the pines of Lebanon.”

I have personally witnessed discrimination towards Christian students while studying in school. Colonel Lal from Christian Technical Training Centre in Gujranwala (CTC) sent a letter and introduced Ma'am Veda Javaid, Executive Director of Presbyterian Education Board, doing this remarkable work for Christian students in a healthy school environment without any discrimination.

I wanted to meet Ma'am Veda Javaid and after meeting her I found her passionate, loving and a courageous lady carrying the burden of Christian community, which deeply inspired me. I am thankful to God and PEB. I have completed 10 years while working with PEB. During my time with PEB, I faced no difficulty and undue interruptions; instead, there was complete guidance, help and cooperation from Mrs. Veda Javaid. KATHERINE SAJID (Teacher)
Since 2013

In 2013, my journey with the Presbyterian Education Board commenced as I took on the role of a teacher at Village Primary School Kalaswala, working under the guidance of Mrs. Alva Munawar. During my time here, I have learnt the invaluable lesson of adopting a thankful mindset. Heartfelt thanks to PEB for the transformative impact on my character.

“ She is a very committed and devoted teacher in the school. Her teaching method is excellent.

SHAFQAT SHAKEEL (Head Teacher)
Since 2013

Greetings in the name of Jesus Christ!

Our area was very backward educationally, especially as Christians used to think education is of no importance. There was no school building and support. Then for the sake of Christian children, an educational facility was provided in the church with the help and support of Presbyterian Education Board (PEB).

It has been 10 years of successful journey completed by the school for providing education to Christian children at primary level with Christian values. I, along with other teachers Musarat Rehmat and volunteer teacher Huma Khokhar trying our best to educate children. After primary education, children get admission in high schools, colleges and universities for higher education. PEB is always in contact to provide us guidance and help to teach children in a healthy Christian environment. We are thankful to PEB for their support for us to do this service for Christian children. This is really a remarkable service of PEB and we are also performing our role in this great work. We pray for PEB to achieve more success in future for such a noble cause. May God bless Mrs. Veda Javaid and her team!

“ I appreciate the hard work and dedication of Mrs. Shafqat Shakeel being in this school as Head Teacher. She is hardworking, committed and honest.

GULNAZ RAUF (Project Director)
Since 2011

My journey with PEB for the last 12 years has been very wonderful. I would like to share how I came to this amazing organization, where a lot of miracles and success stories take place.

In January 2011 my husband got a stroke and he was hospitalized at night. I was sitting outside the ward on a bench with my son and asking him how life will go on, as both of my sons were studying and the expense was too much. He was so confident and strong in his faith in God. He said "Don't worry Mama, the Almighty Lord will open the doors of mercy for us." I knew Mrs. Veda Javaid long time as I was the teacher of her sons at Saint Anthony's High School. Somehow she came to know of my situation, she held my hand in those difficult days as she brought me to PEB, where she appointed me as the Director of Woman Empowerment Project.

God loves His people and never leaves them; that's how He sent Mrs. Veda Javaid as an angel in my life and to this day she stands beside me in all my problems. My wonderful and skilled team is poised to achieve remarkable results. The combined efforts, abilities, and dedication of my team members can lead to outstanding outcomes and accomplishments. Whether it's completing projects ahead of schedule, exceeding performance targets, or generating innovative solutions, my team's competence can be a catalyst for success.

Overall, leading a women empowerment project as a project leader can provide valuable experience in leadership, project management, stakeholder engagement, advocacy, problem-solving, and understanding women's issues. These skills and knowledge can be transferable to other projects and roles, enhancing your professional capabilities and contributing to your personal growth.

I am so blessed to be a member of the PEB family. Many prayers and blessings for my organization (PEB).

“ Your contribution, effort and leadership in the " Women empowerment " program has been very significant. You have provided a beacon of hope to many women in hopeless conditions. You are a symbol of a strong women who have the ability to hide her tears with a smile and have the determination to move on and spread courage, compassion and love to the children and women through Women empowerment program God bless you.

NAYYER DILAWAIZ (Coordinator - SHE Project of PEB)
2007 -2020

I joined PEB's main office as an office assistant for the admin and academic department in 2007. PEB Head of departments and Executive Director Mrs. Veda Javaid encouraged and supported me to get further education I got admission in the MBA-evening program and Graduated from NCBA&E Lahore. I was promoted as Project Coordinator SHE Project –Sangla Hill in Aug 2009. I learnt a lot to Initiate the Community projects (1- SHE- Sangla Hill and 2- Disaster Response Project –Jatoi (South Punjab) from the field level. Where I Conducted Baseline Surveys, hiring of field staff, Conducted project orientation meetings with Religious and community leaders at field level & networking meetings with stakeholders (Relevant Govt. Departments, NGOs). Establish Shelter Home Services at the office level and Vocational Skills Development Centers, Child Friendly Spaces at the field level. I also attended a series of on-the-job staff capacity-building Training and contributed major Inputs to develop SHE Project Execution.

During my journey with PEB I got a family environment. I enjoyed the work, tasks, and assignments. I am so thankful to PEB leadership, and team members, and Mrs. Gulnaz (Director SHE Project) who always stood with me in the thick and thin of my personal life. May God bless the PEB team.

“ Help the field staff and monitor field activities and report to Project Director. You were excellent in your work. I appreciate your commitment and dedication.

ATIA NOREEN (SHE Project Advocate)
2009-2020

My Experience for the last 10 Years with SHE project of PEB working as the legal advisor was great. I've been working to ensure the successful implementation for empowering woman in different facets of life and Legislative Advocacy

1. Women's Rights Workshops
2. Support for Entrepreneurs
3. Domestic Violence Cases
4. Employment Equality
5. Policy Implementation
6. Legal Aid

These experiences over the last 10 years have been both challenging and rewarding. They've allowed me to contribute to the vital cause of women's empowerment through my legal expertise, and I remain committed to continuing this important work in the years to come. Thank you!
God Bless PEB

“ Give trainings on women rights, child protection and domestic violence issues. You were amazing in building relations with people. Thank you very much.
