SCHOOL HIGHLIGHT

Boundary Walls at PEB Schools

We wanted to share an important update on the ongoing security efforts at PEB schools in Pakistan and thank you for the incredible support you have already shown during this urgent time.

Because of your generosity, every PEB school now has:

- 24/7 CCTV coverage with backup systems
- Walk-through security gates installed
- Metal detectors at entrances

- Armed security guards in place, with six months of salaries fully funded

These immediate security measures have already made a significant difference in helping protect students and teachers during a season of heightened uncertainty. Because of these visible security updates, our schools are able to remain open and continue serving students safely.

However, one MAJOR need still remains.

Many campuses urgently need strengthened boundary walls and razor wire to fully secure school perimeters. Some existing walls are old, damaged, or too low to provide adequate protection. In total, PEB still needs funding for approximately:

- 8,669 feet of boundary wall construction and reinforcement
- 2,960 feet of razor wire installation

Even with the progress already made, we estimate that approximately \$300,000 is still needed to complete these final security projects across the campuses.

Our original estimate did not include new boundary walls for CGHS Kasur, but after further evaluation, it was determined that the school does need that as well.

Reinforcing **8,669 feet of boundary walls** to create stronger physical protection.

Cost: \$32.50 per foot

[Give Now](#)

Installing **2,960 feet of razor wire** to further secure perimeters.

Cost: \$8.50 per foot

[Give Now](#)

Every foot of wall built and every section of razor wire installed helps provide greater protection for our students and teachers, for many years to come.

We are deeply grateful for how quickly many of you responded to the initial security appeal. **Your support has already made a real and immediate difference.** As tensions and uncertainty continue in the region, we are asking you to prayerfully consider helping us complete these remaining security upgrades.

Thank you for standing with PEB schools in both prayer and generosity.
